

Bemis Manufacturing Company Conflict Minerals Policy

Bemis is committed to responsible sourcing of materials for our products, and we expect that our suppliers are likewise committed to responsible sourcing; this includes compliance with Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act relating to trade in conflict minerals. Under the Act, companies that manufacture or contract to manufacture products that contain conflict minerals, as defined therein, must conduct due diligence on the source and chain of custody of the applicable conflict minerals.

Accordingly, Bemis and its Suppliers will adhere to U.S. federal laws and regulations requiring companies to conduct due diligence concerning their use of conflict minerals that may have originated in the Democratic Republic of the Congo or an adjoining country.
